

**Oak Tree Blessing  
Edendale School Field  
1pm  
Saturday 14th April**

Dear Parents and Caregivers,

As you will have heard, the big oak tree on the school field fell down in the storm on Tuesday night. Today we took a photo of the whole school in front of the tree. This photo may appear in the Central Leader next week.

The oak tree has a lot of historical significance to the Edendale community. Tomorrow we are holding a ceremony to bless the tree. The blessing will be on the field at 1:00pm. All are welcome.

Please use the Shorwell Street entrance at the back of the school as the Sandringham Road gates will be closed for security reasons. We hope to see you tomorrow.

Warm regards,  
Carolyn 'Aukafolau  
Principal
