This year Garden to Table is every Tuesday, Wednesday and Thursday. Different people from different classes come to Garden to Table on different days. Anna and Jodie give us recipes at the start of Garden to Table and we make lots of different food. There are varieties of Mexican, Italian, North African and more. It all tastes delicious! My favourite was the mango and lime ice cream.

Yesterday, 19th of February 2019, I was sick!

When I woke up, I was dizzy, really warm and had a sore throat. I was also very tired.

I switched off my alarm clock that was beeping non-stop. I set up my bed and started going down to the kitchen.

My brother Aryan woke up and asked me why I was walking like a zombie. He also didn't look well.

My mother took my and my brother's temperature. Mine was 35.2 and Aryan's was 35.7. I think my mother said that was normal but she still kept us home.

She made hot chocolate and toast with butter. Sometimes I dipped my toast in hot chocolate. My brother thought that was the strangest thing he had ever seen.

In the Chinese New Year parade, I saw the big, red, gold, silver and scary dragon. People were under the dragon, walking it. I heard loud stamps from the people walking the dragon. I could hear the MCs talking English and Chinese. I smelled some delicious food cooking at Edendale Eats. I'm pretty sure it was cookies. I felt excited, happy, sweaty, hot and squished up. Hey, it was worth it being squished up, OK? My favourite part was the dragon. I saw Pari and Fiona. I got to go around the whole school with my dragon mask. I loved learning about Chinese New Year!

Swimming

This term, each class has been swimming with a buddy class once a week. The lessons have been focused on skills and building confidence in the water. There will be no swimming weeks 7 and 8. In weeks 9 and 10, the children will be swimming every day with Swimsation. Their programme will continue to cover water skills as well as important water safety lessons. Please remember that the children must wear a swimming cap in the pool.
