

MAHI TAHI

To work together, collaborate, cooperate

Student Authors

Running, throwing, shoot!
Out of bounds and rebounds
The whistle goes toot, toot.
Nā Tilly

Blow, blow, pop, pop.
There goes the bubble gum.
Chew, chew, pop, pop.
There goes another one.
Keep on chewing,
Then you will have a great, big
POP!
Nā Joni-Mae

Rugby is a game and we
sometimes have a shame.
Rugby is tough and maybe a bit
rough.
We get the ball but sometimes
collaborate and fall.
In rugby people put on armour
and in rugby we play in summer.
Nā Lorenzo

Black Jaguar
Creeping through the trees
Dark, mysterious and rare
Lurking in the shadows.
Nā Casper

Black Fox
Hunting animals
Searching deep in the forest
Brave and so handsome
Nā Swaynne

Term 2

The Mahi Tahī team have had a busy start to Term 2. We have a science focus this term and the children have already demonstrated their observation and questioning skills while performing a variety of experiments. Our team will be maintaining the gardens while we await the appointment of new Garden to Table specialists. This will give us the opportunity to put into practise some of the knowledge acquired on our visits to the Auckland Botanic Gardens.

Raranga (R11, 33 & 34)

Room 11 has now joined Rooms 33 and 34 as part of a new collaborative space named Raranga. This means that your child may now have a new teacher for Maths, Writing or Reading. We are excited about the opportunities this will give us to engage the children in new learning experiences. There will be a period of adjustment as we all get used to new faces and ways of working. If you have any questions or concerns, please do not hesitate to contact your child's teacher.

Important Dates

17 May	R13, R14 & R34 Botanic Gardens trip
21 May	Eden-Albert Football Tournament
31 May	Science Road Show
3 June	Queens Birthday Holiday

GALLIPOLI : ANZAC

Turks shooting far above them from the peaks

Sickness, Dysentery and Diseases

Going through death's dark door

Digging trenches and making barricades to hide from the Turks

Eating contaminated food

Hearing horrific and hideous noises
BOOM! BANG!

Bang, Bang, Bang, Bang -
awhatBOOM

Nā Aayan

Dead bodies covered in chloride
and lime

Flies Buzzing

Lice everywhere

Soldiers wearing identity discs

Bang, Bang, Bang go the guns

Shooting out of gaps from sandbags

Shaking and trembling like children

Attacking at night

Fear

The ANZACS are sitting ducks
waiting to be shot

Nā Anamika

ANZAC (Haiku)

Ticks are everywhere

Dysentery, diarrhoea

You can't hide from this!

Nā Angela

ANZAC (Haiku)

Past the roughest seas

Enemies got advantage

Hundreds fell that day

Nā Zara

Lest we forget

Science Road Show

Edendale Primary School will host the Science Roadshow on Friday 31st May (week 5). The Science Roadshow is designed to broaden students' knowledge of Science, Technology, Engineering and Mathematics. The children will listen to a presentation and then explore a range of hands-on exhibits. Year 4 and 5 classes will attend the following sessions:

12:10pm - 1:30pm - Rooms 13,14 and 15

1:15pm - 2:35pm - Rooms 11,12,33/34

It would be helpful to have one or two parents helping with each class. If you are available and would like to help, please contact your child's teacher.
