

Edendale Primary School

4 July 2019

Kia ora koutou,

Edendale Primary is very excited to introduce school Houses starting from Term 3, 2019.

The House system is a great way for students to work with one another across year levels in a range of different environments. From next term, when a student first starts school they will be assigned to a House and will be with that House throughout their time at Edendale. If they have siblings at school, they will be in the same house as them. Students will have opportunities to work alongside other students of all ages and participate in various school events with these houses, such as athletics competitions.

We will also be offering House Colour t-shirts for sale with our new school logo for the introductory price of \$20 each.

The House Colours are taken from our school logo. Colour is very important in the logo to highlight the importance of art as well as celebrate Edendale's cultural diversity. Behind the front walls of the school there is a vibrant community of learners.

We have a variety of sizes for both children and adults. Sample sizes and house colours can be viewed at the office.

All orders must be pre-paid by 16 August to enable delivery by the end of Term 3.

Payment can be made by cash, cheque or eftpos at the school office or our preferred option, Kindo via the school website.

When paying by Kindo, please remember to complete all details for the house colour and size required (or the attached order form can be dropped off to the office).

A reminder when using Kindo, please link your account online, following the prompts under the Kindo School Shop tab on our website page

<http://www.edendale.school.nz/kindo-school-shop>.

If paying by cash, cheque or eftpos, please take the order form with you to the office so that a receipt number can be recorded on it.

Ngā mihi.
