

MAHI TAHI

To work together, collaborate, cooperate

Mahi Tahī Assembly

Room 15 showed an amazing assembly to the whole school and I will tell you how we did it. The two MCs wrote the script and then we printed it out. It took a long time to practise and memorise our lines. Isla S choreographed a battle which Isla G and Ruben did. The stormtroopers practised their marching too and made stormtrooper masks and guns. We had other people from other classes and we needed them to practise as well. Kus spray painted the lightsabers neon red which looks like pink and green. From Lucille R15

Important Dates

- 9 August Rail Safety Presentation
- 12 August Mandarin lessons begin for Mahi Tahī
(See your class teacher for details)
- 16 August Mahi Tahī assembly (9am)
- 21-22 August Year 4 scooter training (see your class teacher)

Welcome to Ariel Ampado

Ariel Ampado began teaching in Room 12 at the beginning of term 3, replacing Liz Osokin. He is really enjoying getting to know the children and their whānau.

Art

Mahi Tahi are currently working with Kus on their calendar art. They have been experimenting with colour, light and dark tones, and collage. We can't wait to show you the final result.

Help!

We are needing assistance in making table covers for our new Mahi Tahi team furniture. If anyone is able to help, please contact Kus at

kus@edendale.school.nz.

PE Fun

Room 11 enjoyed yoga, hurdles, ball skills and moon hopper races in a PE rotation organised by year 6 students in Room 18. All activities were created and run by our senior students. Room 11 had a great time trying out each challenge. Thanks Room 18!
