

Edendale
Primary School

7 April 2021

Friends of Edendale are hard at work this week with two great fundraising events!

The 'Edendale Bake Sale' is back! Friday 9th April

Colour Run Event is THIS Sunday!

Raised \$7,000 so far!
\$35,000 needed to Astro turf our court.

130 registered so far.
We need another 100.

Here's how to register, all you need to do is set up your child's fundraising profile (web link is below), then make a minimum of one donation of any amount to secure their registration for the event (if the pre suggested dollar values are not in line with what you are wanting to pay, there is a field where you can type in the amount). We don't want anyone to miss out.

Go to <https://edendale.raiseit.co.nz/hub> to register!

If you don't wish to create an online fundraising page for your child, please see the office about making an offline donation to secure your child's registration. This donation will still be included with their classroom's total.

We have done another draw this morning for all students who have registered for our Colour Run event up to 9am this morning.

A BIG congratulations goes to Austin from room 17 who has won a Panasonic Bluetooth Speaker!! Well Done! Winners of some more spot prizes are: Athulith from room 21, Victor from room 12, Jack from room 21 and Charlie from room 4.

We will be running our last Spot prize draw, this Friday 9th April morning. Anyone who has registered up to this date will be in the draw to win!

Volunteers - We need you!

If you would like to volunteer or if you have any questions about the Colour Run, please email pta@edendale.school.nz

Please keep an eye out for an email which will be sent out on Friday with the final details regarding this Sunday's colour run event.

Many thanks,
Friends of Edendale

Footnote: The Colour Run event is where the children walk or run a course around the school field. At the finish, children are showered or dabbled with colour. The colour is a powder the texture of talcum powder and it is used in the Indian Festival of Holi. It's a lot of fun for everyone and the kids LOVE getting covered in colour!
