- Netball results
- Tamariki showcase
- PTA news
- 2021 term dates
- Team newsletters

Tēnā koutou katoa,

A huge thanks to our Edendale whānau for continually supporting our tamariki/children in their learning journey to make the most out of this current situation. We appreciate how we are all continuing to adapt to the online environment, discovering new ways to engage our learners and motivate them to reach their potential. We are incredibly grateful for our highly committed and enthusiastic kaiako/teachers for their professionalism, positive attitude and innovative approach to teaching. They are involved with planning and preparation, responding to messages and learning from our ākongā/learners and their whānau, just as they are when they are physically at school. It is our combined efforts to make sure learning goes smoothly, whether it is online learning or face to face learning at school.

Mā te whiritahi, ka whakatutuki ai ngā pūmanawa ā tāngata
Together weaving the realisation of potential

This whakatauki sums up the importance of building strong home-school partnerships to foster life skills through the rich learning experiences we provide to our ākongā/learners.

Stay well, stay safe and be kind.

Ngā mihi
Nā

Bhairavi
Tumuaki Tuarua | Deputy Principal

If you require school administration assistance while in L4 please note the office@edendale.school.nz email address is monitored daily for your convenience.

Edendale Cultural Festival:

It is challenging to plan any event in advance due to COVID 19 lockdowns/restrictions and uncertainties around the alert levels. It is our aim to keep things as consistent and normal as possible when all Edendale tamariki can come back to school under Alert Levels 2 and 1, and we have decided to keep going with our cultural festival performances. It will happen towards the end of term 4 (date and time to be confirmed when we return to school in Alert Level 2). Keeping in mind the Ministry of Education and Ministry of Health guidelines, our Year 1-3 tamariki will only perform in front of our school audience. Our cultural festival team is looking at different options to share the performances with our school community. We will communicate all the relevant information regarding the festival at the appropriate time. So watch this space.

Edendale Spellathon 2021:

Thanks again to all Edendale parents/caregivers and whānau for helping your children learn their words, testing them, and informing their classroom teacher of the score through their class Seesaw. Please remember this week and next week; children will collect the pledge money from their sponsors. In week 10, we will draw some prizes.

Prizes will be awarded for

- The child who raises the most money overall
- The classes that bring in the most money from each team
- Special prize draw for all children who raise \$100 and more
- Plus lots of other prizes in a lucky dip draw

Sponsors can deposit their donations directly into the school account for your Spellathon.

Edendale Primary School: ASB 12-3063-0183995-00

When processing your payment please use the following format:

Particulars: Your child's name

Code: Room number ____

Reference: Edendale Spellathon 2021

Out of Zone enrolments:

Please see advertisement on the next page. Deadline for applications is midday 15 October 2021.

Parents of students who live within the home zone and wish to enrol their 5 year old, should also apply by this date to assist the school to plan appropriately for next year.

Edendale
Primary School

OUT OF ZONE ENROLMENTS

The Edendale Primary School Board invites applications from parents who wish to enrol their child at Edendale Primary School for 2022.

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office or on our website **www.edendale.school.nz**

The board has determined that twenty places are likely to be available for out of zone students next year.

Applications are to be made in writing, addressed to Chriss Bus, **chriss@edendale.school.nz** at Edendale Primary School.

The deadline for applications is by midday Friday, 15 October 2021.

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. If a ballot is required it will be held on 21 October 2021. Parents will be informed of the outcome of the ballot within three days of the ballot being held.

Jonathan Ramsay
Principal | Tumuaki

Edendale netball results:

Even though Netball came to an abrupt end during lockdown. The girls played amazingly. Such hard work and dedication!

Thank you to all the coaches and managers for your hard work. Ka mau te wehi!

A Team (pictured left) – second place in their grade (A Grade)

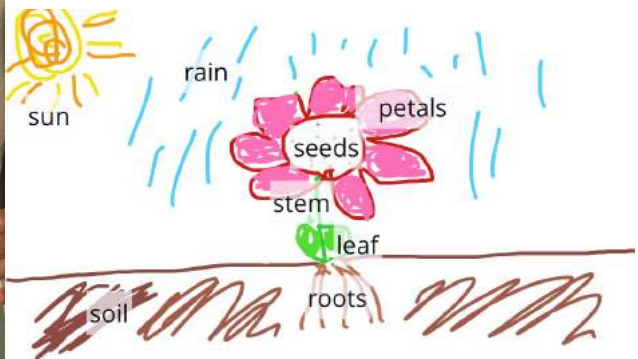

B Team (pictured below left) – first place in their grade (C Grade)

C Team (pictured below right) – third place in their grade (C grade)

Tamariki showcase:

Jaques and Kanna from room 10 have been learning about Spring

friends of EDENDALE PRIMARY SCHOOL

Quiz Night : Face the Music

We will be working with Beats by Bingo and the school to organise a new date for this, and will send out information as soon as we get a time to lock in. As you will be aware, with the uncertainty around the timing of level changes at present, we are unable to provide any clear dates at this stage. As with last year, we will be required to wait until Level 1 due to the numbers involved with the event.

Raffle Tickets

We are still continuing to sell raffle tickets online! See attached flyer for more info

Just a reminder that raffle tickets are still on sale! With Auckland currently in Level 4, and with the possibility of Level 3 for a few weeks too, this is the PTA's only opportunity for fundraising for the school at this point.

Tickets are \$10 each, with 6 amazing prizes to win.

Tickets can be purchased via online banking. Please use the account number: 03-0104-0288432-00, Particulars: Name | Details: Child's Room Number | Ref: Raffle, then email us at pta@edendale.school.nz for confirmation and raffle ticket numbers. We are looking to draw the raffle at the Quiz Night, which will hopefully be rescheduled for later this year, but if a date can't be arranged, we will draw the raffle on Thursday November 4th, and announce the winners on November 5th. All winners will be notified by email.

New Members

While you are all at home, now could be a good time to contemplate joining us on the PTA team. Next year will see several of our current members step down due to their children heading off to intermediate, so we are on the lookout for people to bring their fresh ideas and enthusiasm and become a part of this wonderful group. In particular we will be looking for a new Treasurer, Secretary and Chairperson, so get in touch with us if you feel this could be your area of calling, or join us at one of our meetings over the coming months.

New Ideas

While you think about joining us on the PTA, you can also be thinking about fundraising ideas that you would like to see at the school. Are there ways that we can get more of the school community involved in events? Do you have connections to businesses or groups that we could reach out to for help with fundraising opportunities? We would love to hear from you. Email pta@edendale.school.nz

Current Friends of Edendale members:

Chairperson: Ross Keane

Treasurer: Tracey Whitby

Secretary: Kerry Hoult

Communications Officer: Sarah Withers

PTA Liaison Officer: Roni Neeley

PTA members: Kylie Darby-Smith, Jane Maddox, Ritu Munjal, Sharon Stewart, Nik Petricevich

Meetings

Our next meeting of the year is on tonight, 16th September. The meeting starts at **7:00pm** and will be held over Zoom. If you would like to join us, email us on pta@edendale.school.nz and we can send you a Zoom invite to the meeting. It's always great to have new people come along and see what is involved with the PTA.

NEWSLETTER

WEEK 8 TERM 3

LOCKDOWN EDITION

TEAM UPDATE

Kia ora koutou,

Welcome to our Week 8 newsletter.

We would like to thank all our parents/whanau for being so amazing in your support of your children's online learning. It's been lovely to see all the happy and enthusiastic children engage in their learning on Zoom. We also wish to acknowledge that this different way of schooling can cause a level of stress for many of us due to juggling our own work commitments and family needs. Thank you to all our families who are making the best of this very different way of teaching and learning this term.

Unfortunately, due to lockdown restrictions, our trip to Auckland Museum has been cancelled. We will keep you updated on any further trips later in the year.

Stay safe and see you on Zoom.

Kind regards,

Rosie, Callum, Ariel, Philippa & Hayley
[Aroha team teachers]

ROOM 1

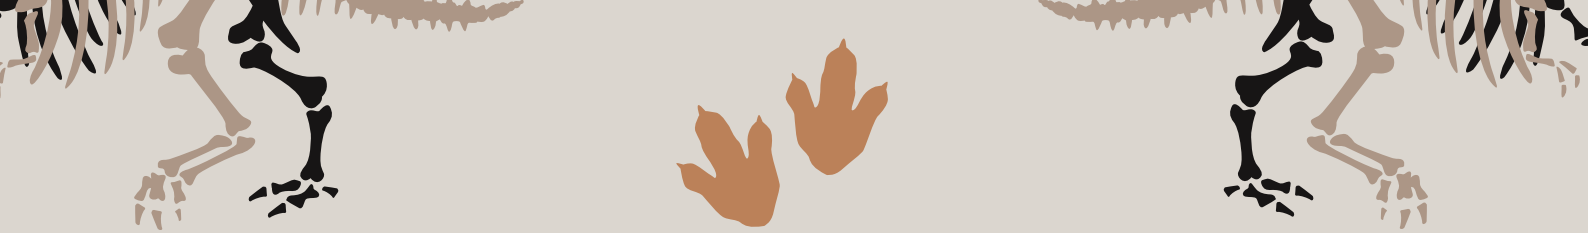

We have lots of activities every week. We start our day with some warm up exercises, greeting songs then jump into maths then writing. On Fridays, we just chill by playing some cool games, sharing our work of the week and reading lovely sometimes funny poems.

ROOM 2

Room 2 has been meeting everyday on Zoom to do some school work and connect with our friends and teacher. We have been learning about adjectives, full stop and capital letters in writing and subtraction in maths.

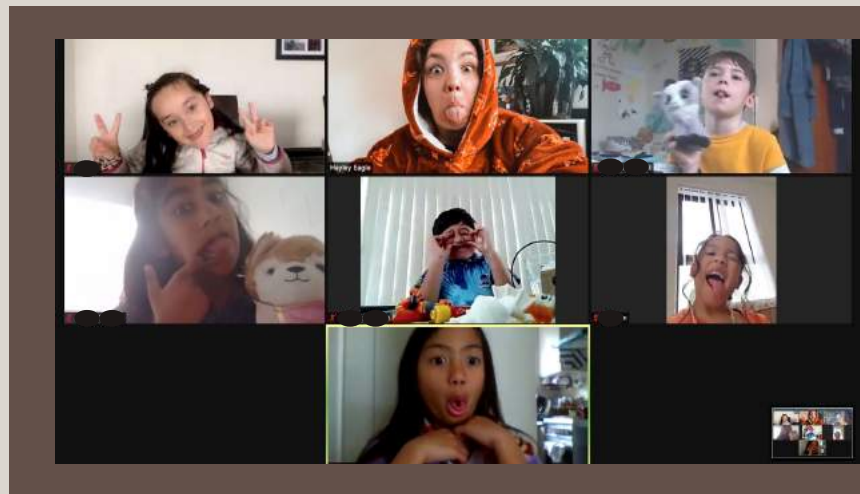

INGENUITY- ROOM3

Room 3 has had a lot of fun with our reading, writing, and maths. There have been a lot of laughs and learning.

PERSEVERANCE- ROOM 4

Room 3 have been working SO hard and learning lots on their Zooms! We've learnt about similes and hyperboles, poems, fractions - They even helped me bake some delicious muffins on Zoom! It has been such a joy to see them every morning and I've been SO impressed with their positive attitudes towards online learning.

CURIOSITY- ROOM5

I have been so impressed with Room 5's positive attitude and enthusiasm towards our zooms. We have created powerful potions, been scientists exploring rubbery eggs, taken part in lots of maths talking, and also had fun! Ka pai Room 5.

WHAT HAVE OUR KAIAKO [TEACHERS] BEEN UP TO IN THEIR SPARE TIME DURING LOCKDOWN?

-Callum

"I've been shredding on this axe!"

-Rosie

"Wilma and Burt love cuddling up to me on the couch. They especially enjoy attending the Zooms and seeing you do some fantastic school work."

-Philippa

"Here are my lock down buddies - Bluey the cat and Spike the dog. Although cats and dogs aren't meant to get on, they are great friends. In this picture they are both hoping for a treat!"

-Hayley

"I've been giving my plants lots of love and care and creating new baby plants to turn my room into a jungle!"

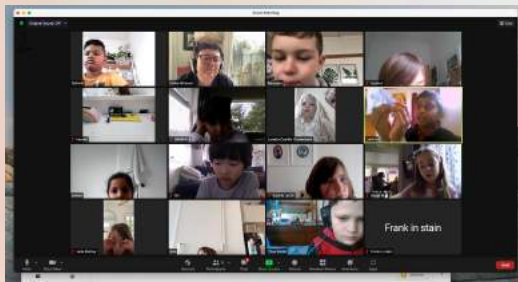

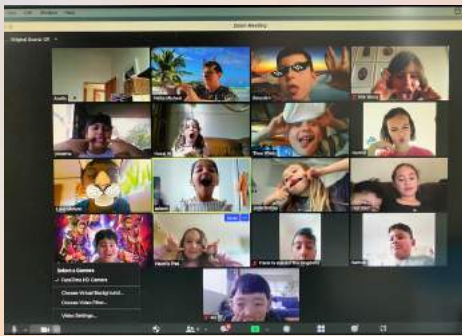

-Ariel

"I've been trying to keep myself entertained by working out at home, running and walking outside (but making sure to social distance!). Also, I get to video call my family back home longer this time".

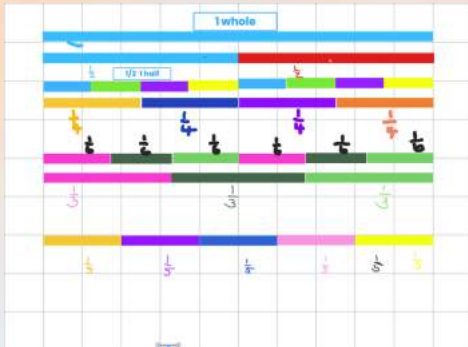

Newsletter

Tena koutou katoa
Hello Parents, Whānau and Caregivers,

Here we are in week 8 of term 3 and we find ourselves in our fourth week at Alert Level 4. As we have just learned, it will take another week until the community of Auckland Tāmaki Makaurau **might** move to Alert Level 3 at midnight Tuesday 21 September. With that the hope that our children might go physically to school to finish off term 3 shrinks away. Surely, this is not at all how we expected term 3 to shape up, but many of our tamariki and their whānau have been amazing and connected with their kaiako (teacher) daily during the last weeks to continue their learning online. Further, through the many Seesaw posts we get to know and see the many activities our children are engaged in. Clearly, everyone is giving their best and we are glad to ease this testing time in your child's learning journey. On the other hand, what a great opportunity for all of us to practise our resilience and inclusiveness. Every day, there are little stories of how these values are put into action by community members.

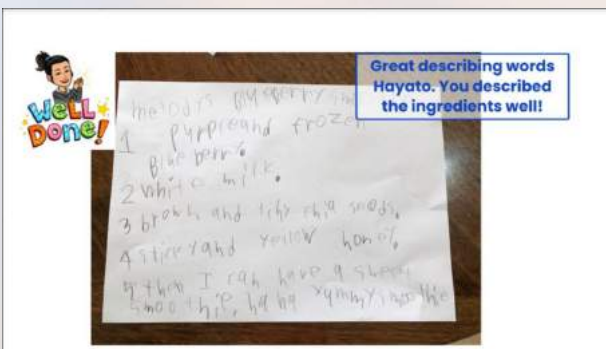

In room 8, we are great Zoomers. We have explored many features of this online conferencing tool. Playing around with the video background, video filter and simply pulling funny faces has been super popular. Also our Friday social session has been popular as it was a brilliant opportunity to have a chat with friends.

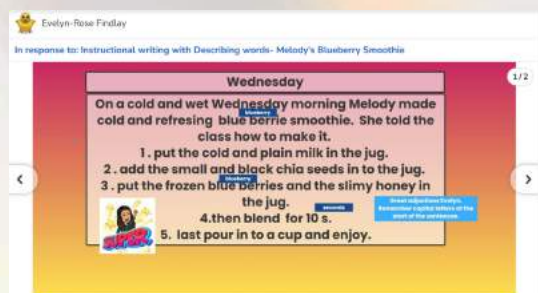

In room 8 we have been practising recognising fractions. Some of us have developed this graph to visualise fractions and also to identify fractions which are basically the same value. We call these equivalent fractions.

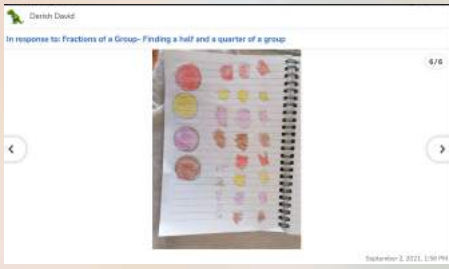

Another group brainstormed about what it means to be inclusive. Inclusiveness is the value that we are going to focus on for the next couple of weeks. We want to learn to share toys/ playground equipment with peers, to ably engage in conversation with my peers and teachers to understand that we are all different and be empathetic to these differences.

Room 9 has been busy making delicious smoothies and writing a set of instructions on how to make them.

Newsletter

Room 9 has been showing fractions using items around the house and also showing their thinking using pictures.

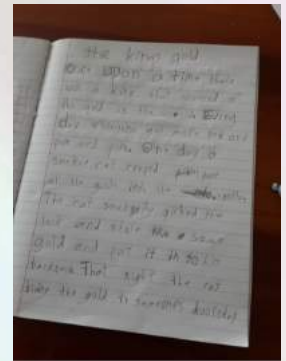

It is unfortunate that we are still in lockdown but we are doing well in terms of Zoom meetings. Room 10 had the opportunity to work with our buddy class last Friday and it was a successful event. The year 5/6 students were great and well prepared. Thanks for their Mahi and a special mention about their dress-up for this occasion.

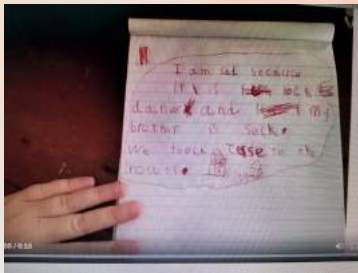

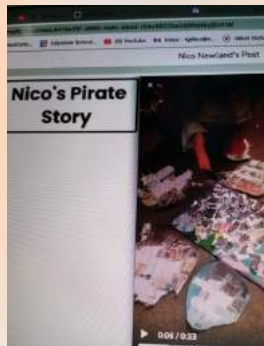

Sampriti has done fantastic artwork using autumn leaves and the whole class was amazed and inspired. Well done Sampriti!!

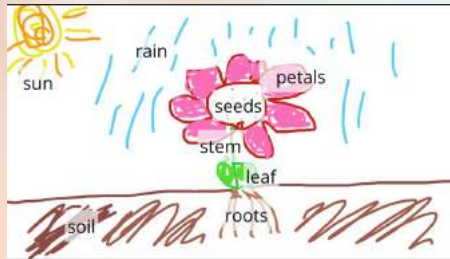

Students in room 10 are doing the 'Teach the teacher' presentations extremely well and thanks for all their hard work. It was really fun watching them. Here is Bonnie's motion picture about 'Ice cream in a van'.

Liam the super writer has been posting a variety of stories on seesaw and reading his stories. Way to go Liam!!

Room 7 tamariki have been resilient during the lockdown. We are still learning together and having fun, as you will notice on the photo of Nico's pirate story. We can't wait to be back at school though! In the meantime, writing helps express our feelings, Piper's story being a good example of that (Jessie is all better now).

In room 6, we have done lots of mahi during this lockdown.

Here are a few items that the tamariki have completed, about Spring, and atawhai, kindness. Ka pai tamariki.

Te Wiki o te Reo Māori - Māori Language Week
The theme of this year's Te Wiki o te Reo Māori - Māori Language Week has been "Kia Kaha te Reo Māori - Let's make the Māori language strong. While te reo Māori is always part of our learning, during this week we all aim to learn an extra few phrases and also learn about the importance of keeping te reo Māori alive. It has become apparent that we all need to help with this goal no matter whether we are native speakers of te reo Māori. What a good opportunity to learn a few phrases with your little expert. Keep asking and practising phrases and words they have learned and still know. You most likely know, that when learning a language it needs to be spoken otherwise our clever brain sorts this content into the not useful file.

We value your cooperation and support. You can help by sending us well-rested children with full tummies and a hug and a kiss still fresh on their minds. This sets the stage for a lovely day.
The Team Atawhai teachers
Latha, Melody, Fabienne, Adrienne & Heike

SKITTLES, BY SIENNA
I HAVE A BUNNY CALLED
SKITTLES
HE PURRS AT US LIKE A CAT
AND AT NIGHT HE COMES
ALIVE
LIKE A CRAZY OWL
HE'S ALWAYS LICKING ME
AND CHEWING THINGS
WHEN WE'RE NOT LOOKING!

MY BUNNY, HINA (BY PHOEBE)
HER FUR IS AS BLACK AS
MIDNIGHT
AND AS SILKY AS VELVET
SHE LOVES GREEN GRASS TO
PLAY IN
BUT SOMETIMES SHE IS AS SHY
AS A SCARED SNAIL
SHE IS AS FAST AS A CHEETAH!

NEWSPAPER ARTICLES

TUPOU NEIUFI

ARTICLE BY KATE ROOM 17

DO YOU KNOW WHO WON THE FIRST GOLD MEDAL FOR NEW ZEALAND IN THE 2020 PARALYMPICS?

TUPOU NEIUFI DID! SHE WON THE 100-METRE BACKSTROKE IN SWIMMING. SHE WAS BORN IN 2001 AND IS 20 NOW. SHE HAS TONGAN ANCESTRY. SHE ENJOYS SPENDING TIME WITH FAMILY, EXERCISING AND READING. HER IDOLS ARE NEW ZEALAND SWIMMERS SOPHIE PASCOE, MARY FISHER, CAMERON LESLIE AND REBECCA DUBBER. TUPOU'S MOTTO IS "BELIEVE IN YOURSELF, BUT MOST IMPORTANTLY BE YOU."

Car Took Out Powerline

SEPTEMBER 2021 A MAN HIT A POWER LINE AND THE POWER WENT OUT FOR ABOUT AN HOUR THEN THE POWER WENT BACK AT ABOUT 7.00 PM AT NIGHT.

THE CRASH WAS AT THE END OF FERGUSSON AVE. THE MAN WAS CHARGED FOR DANGEROUS DRIVING. THE MAN HIT THE POWER LINE AT 3.20 PM. THE ROAD WAS WET AT THE TIME SO THAT MAY HAVE CAUSED THE CRASH BUT WE STILL ARE NOT SURE.

BY WILL, ROOM 11

HERE ARE SOME PHOTOS OF THE JOINT BAKE SALE ROOMS 6, 16 AND 17 HELD ON FRIDAY 6TH AUGUST. WE MADE \$1193.40 WHICH, ACCORDING TO SARAH WITHERS (PTA), WAS A RECORD FOR THIS YEAR.

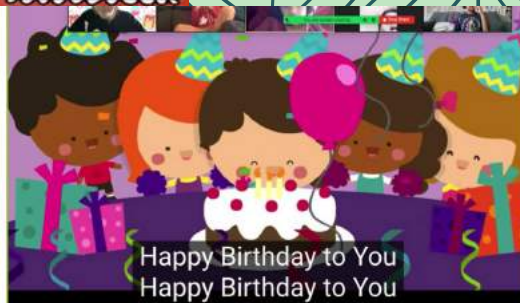

AKORANGA

Term 3

Zoom Zoom Zoom!! Our tamariki have become so proficient at quickly adapting to online learning displaying one of our school values, Resilience. They turn up to the Zooms engaged and ready to learn. All of the teachers have been very impressed with the level of concentration the children are showing as well as continuing to display great quality work. Here are some of the things that Team Akoranga have been up to during lockdown.

Room 22 have been doing science to test density, the result looked like a rainbow in a glass. They explored around their households to find things beginning with different letters.

Today we had a special Zoom birthday celebration for Zyana, Maira and Averly who had birthdays recently. HAPPY BIRTHDAY! Hope you get lots of yummy food and hugs from your family.

Love, from Room 22

Emily Lim

The colours of layers look different today.

Room 21 had a fantastic dress up party, what characters can you spot?

Room 19 have been busy baking, exploring nature and lots of inquiry work.

I finished the baking

Animals of the Amazon

Animals Name: **Boa constrictor**

Animal Group: **Reptile**

Interesting facts:

female boa size 2.1 - 3 meter,

male boa size 1.8 - 2.4 meter,

Boa constrictor also known as "Red-Tailed Boa"

wild boas can live for 20-30 years.

They grow larger so they can eat their food easily, for example: monkeys wild boar and deer.

A female boa will often give birth to about 60 live babies.

Their bite can be painful, but they are rarely dangerous to human.

Eve and her Mum Juliet showed us how to re-grow vegetables from scraps. What a fantastic initiative for the environment as well as saving us all money. We have had arts and crafts and a PJ party.

Pancake party and science experiments are all the go on Room 20's Zoom. We used our maths skills while learning to make pancakes. We had to measure, weigh and create shapes to make our funky animal pancakes.

TUAKANA - YEARS 5 & 6

TEAM NEWSLETTER - WEEK 8 TERM THREE 2021

Kia ora all - this newsletter is a little different as it's a special lockdown edition. Each class is sharing a snapshot of their online learning. We have all been blown away with our tamariki during this lockdown - we have had some great numbers of students joining us and sharing their learning both on Zoom and Seesaw.

Thank you to our parents and whānau for supporting our tamariki to access the technology needed to engage with online learning.

Ngā manaakitanga

Tracy, Tuakana Team Leader & Shamin, Braedon, Katrina, Claudia, Nik

Dates & updates

- Spellathon donations due week 8 & 9
- Māori Language Week this week
- Camp payment due Friday 17 September

Room 24

Room 24 have been doing a great job with their group writing. The picture on the left has been the inspiration - here is what Hannah, James, Kevin, Mikey and Gardenia have written so far.

Drip, drop, drip, drop the sound of the cold rain hitting the mucky ground was squelching beneath my feet. My gumboots were ploughing through the muddy ground while the rain soaked up the soil. I gazed up into the un-illuminated and inky sky and saw something uncanny. A flock of fish was swimming freely across the dark and stormy sky. The fish were coated with shiny scales and there were about a million of them. As I padded through the cotton field, I realised the fish seem endless as they flopped and swam in the night sky. It smelt terrible, an odour like when you have an old snapper. There were a variety of different fish some were orange, banana yellow, violently violet and different colours of the rainbow.

Kia ora whānau,
Haere mai te wiki o te reo Māori. Try practising some Māori language this week. Here are some sentences you might like to use at home.

He (name of food) māu? - do you want some (name of food)?

He pēnei māu? - do you want some of this?

Homai te (name of food) - pass me the (name of the food)

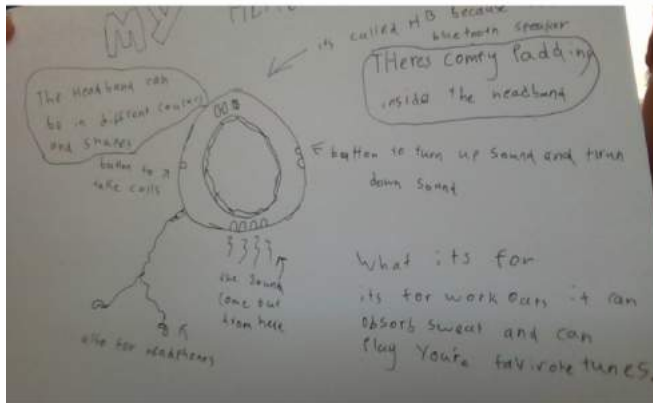

Ngā mihi (thank you)
Nā Katrina Kiely

Room 25

STEM challenge design in Room 25

We had a few design challenges over zoom this week and this is one of the designs. The challenge was to design a new hairclip or headband that was going to be used as a Bluetooth speaker. We had to think about what was the purpose of our design and who would use it. In this design, you can wear the headband and plug in your earphones to listen to music without disturbing others. We did this challenge during our Zoom session and then added our work to Seesaw.

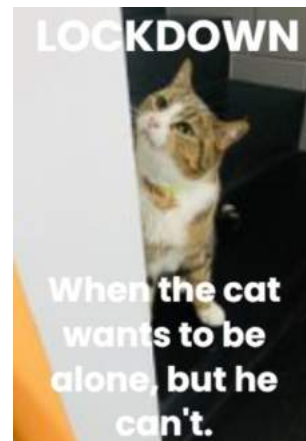

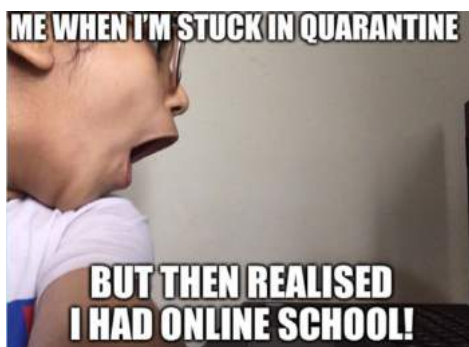

By Sean, Room 25

Room 26

We've been having some fun with memes as part of our literacy sessions, and exploring the power of photos and captions.

From left to right, by Ruth, by Manya, by Payton, by Isabelle.

TUAKANA - YEARS 5 & 6

TEAM NEWSLETTER - WEEK 8 TERM THREE 2021

As you will know, we have been looking into the news as a team. Here is a news style piece from Alex in Room 27.

Room 27

GIANT ATTACKS LONDON

A giant rose from under the grass at Buckingham Palace today, causing chaos everywhere it went. It destroyed half of London, and most of Buckingham Palace. Thousands of people are in hospital in a serious but stable condition. Lots of famous landmarks have been damaged, including St Paul's Cathedral, Big Ben, the London Eye, and the Tower Bridge. The queen says that she can't believe that giants are real, and insists that she will need to have Buckingham Palace fixed before her speech on Christmas day.

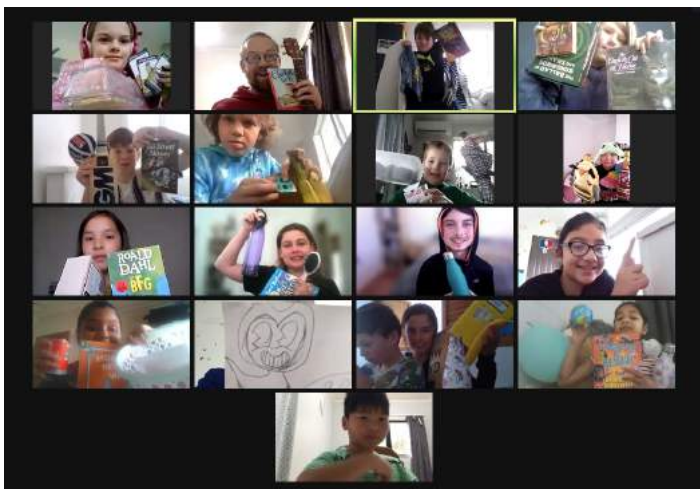

By Alex, Room 27

Picture that prompted the writing

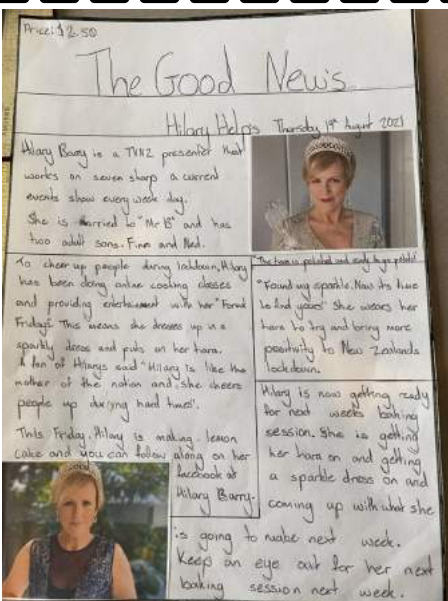

Room 28

As well as posting and sharing lots of our work through Seesaw, Room 28 has been mixing it up during our Zoom sessions to keep the learning interesting and engaging. Here are some examples:

A fun scavenger hunt - great idea, Molly!

Working together on a technology venn diagram online

Room 29

The challenges of lockdown have not discouraged Room 29 from coming together to learn (online); we have had a lot of fun learning experiences, from lockdown-friendly PE sessions to catch-ups with our buddy class and more. Here are some of the great newspapers Room 29 students have created as part of our current events inquiry.
